Directions: Answer each of the questions which follow after reading the appropriate section in the textbook. If you are not sure what section to read, check your course outline.

Part A

1. Describe the changes and hope for the future as Canada entered the 1900s.

2. What was the significance of the 1896 Canadian Federal election?

3. What were some of the issues that Laurier faced when he came to power as Prime Minister?

4. Describe two events which created a French-English controversy about the military.

5. What were the issues surrounding Reciprocity and Free Trade during the election of 1911?

6. What was the Alaska Boundary Dispute? Why did it turn out to be a significant issue?

7. What factors around the world and in Canada accounted for the "Laurier Economic Boom"?

8. What types of people were attracted to settle in the Prairies? Why did they succeed or fail?

9. Describe some of the *Push-Pull Factors* affecting immigration to Canada. On a separate sheet of paper, list the ways in which immigrants adjusted to their new lives on the Prairies or in cities.

10. Diagram and list the factors impacting on the location of railway cities. List the various railways.

11. Describe the reasons behind the rise of labour unions in Canada and British Columbia.

12. In what way did immigration policies and attitudes change toward immigrants?

13. Explain women's suffrage and their fight for social reform. Who was Nellie McClung?

14. In what ways were the rights and freedoms of Aboriginal people in Canada violated?

15. Why was the Native British Columbians' experience different? What was the ultimate result?

16. Describe the historic Nisga'a Land claim. What three things had the Chiefs always wanted?

17. List and explain the new wonders of the Laurier age.

18. Review the statistics shown on page 286 and 287. Orally answer the first four activity questions.
