Economic Disparity Economy **Economic Activities Primary Industries Secondary Industries** Tertiary Activities Natural Resources Agglomeration Economic Core Periphery Industrial Heartland Out-migration Productivity Traditional Economy Subsistence Agriculture Developing Economy **Developed Economies** Agribusiness Non-renewable Resources De-centralizaton Sunset Industries

Sustainable Development Vertically Integrated Business Scarcity

Questions:

Answer each question as completely as you can.

1. Why do you think crime and yardsales are classified as part of the informal economy?

2. In your locality name one example of a primary industry, secondary industry, and tertiary industry.

3. Refer to Figure 16-7 on page 398. Answer questions 1 and 2.

4.	"Economic activities tend to concentrate in areas where conditions are best suited to their success." (page 399) In a brief paragraph explain how this statement applies to the town in which you live.
5.	List the four factors which seem to encourage development and wealth creation. Say why you think each is important or significant.
6.	Explain the difference between evolutionary and revolutionary development.
7.	Why do you think English is the main language used on the Internet? What significance does this have for developing countries?
8.	Refer to the example of a vertically integrated business on page 410 of the textbook. Make a diagram of this example.

9.	Name three non-renewable and three renewable resources used in the modern world.
10	What is a disparity? If you don't know, use a dictionary to get a working definition. What are regional disparities? Based on information on pages 413-414 give two examples of regional disparity.
11.	. Sunset industry to ghost town: Explain the connection and give an example either current or historical.
12	. Look at Figure 16-30 on page 416. Based on what you have read, explain why B.C., Alberta, and Ontario did not receive equalization payments from the federal government.
