**2014 OAK BAY HIGH SCHOOL
SENIOR GIRLS' SOCCER
BREAST CANCER AWARENESS CAMPAIGN**

This year, the Oak Bay Sr. Girls' Soccer Program will be raising funds for the British Columbia Cancer Agency and Breast Cancer Awareness. They have set a goal of eight thousand dollars. There are two ways in which you can assist in achieving this goal:

Option A: Become a sponsor for one of the team members. Each team member is responsible for a minimum of ten sponsors. Each sponsor will donate \$1 per goal that the team scores throughout the season. In a usual season we will score approximately 30 to 40 goals. If you prefer, you may set a maximum sponsorship of \$20 or more.

Option B: For \$500 you will become a major sponsor of the Oak Bay Soccer Program and your business will be advertised on our new pink jerseys. These jerseys will be worn throughout the 2014 season. We will be displaying two of our major sponsors on our jerseys and if we are able to acquire more sponsors, they will be well-displayed on our training gear. The major sponsors allow us to purchase the pink uniforms that will help publicize our cause.

Thanks to the large amount of support we have received in previous seasons, the girls' soccer program has developed into one of the best in the province. Since 2002, we have won four Island Championships, finished in the top ten at nine of twelve Provincial Championships and finished top four in four of the last seven Provincial Championships, claiming the silver medal three times. Last year's team won the Provincial Silver Medal and this year's team will once again be competing for Oak Bay's first senior girls' soccer provincial title.

If you would like to find out about sponsorship opportunities, please do not hesitate to call Brent Garraway at 250-382-6630 or email at brentgarraway@hotmail.com
