Amended 2015-2016 School Year Calendar

As you are aware every school district in British Columbia will be starting the process of transitioning to the new Provincial Curriculum Framework. To support the transition, the Ministry of Education will be providing time for educators to become familiar with the new curriculum.

During the 2015-2016 school years, two non-instructional days will be designated for educators to work directly with the new curriculum.

The two additional **non**-instructional days for the Greater Victoria School District are: Monday, January 11, 2016 and Monday, April 4, 2016

If you have any comments for questions about these two additional on-instructional days, please contact Pete Langstraat, Superintendent of Schools at plangstraat@sd61.bc.ca
