MOST LIKELY TO SUCCEED

You are invited to join us on February 3rd, 2016 at 7:00 p.m. in the theatre for the film viewing of "**Most Likely to Succeed**".

The Film:

For most of the last century, entry-level jobs were plentiful, and college was an affordable path to a fulfilling career. That world no longer exists. The feature-length documentary, "Most Likely to Succeed" examines the history of education, revealing the growing shortcomings of our school model in today's innovative world. Directed by acclaimed documentarian Greg Whiteley, the film has been named "among the best edu-documentaries ever produced" by Education Week, and called a "smart and engaging look at education in the 21st century" by The Hollywood Reporter. Film Threat stated that "this film should be a required course for all parents and educators." "Most Likely To Succeed" is an official selection of many of North America's top film festivals, including the prestigious 2015 Sundance Film Festival and Tribeca Film Festival.
