OAK BAY TRACK AND FIELD NEWS

Last week was amazing for Oak Bay Track and Field as we have now completed the **Lower Island and Island Championships**. The Junior team captured its 28th consecutive City Championship. The Senior team won its 24th City Championship in a row. Over 100 athletes qualified for the city championships and 35 boy and girl athletes managed to capture a gold medal finish. An amazing total of 118 top-three finishes were recorded by Oak Bay athletes. It was a great effort by everyone involved. Joe Robertson highlighted the championship with a new record in the boys Grade 9 3000 meter run. The boys grade 9 Junior and Senior divisions managed to sweep all the relays at the city championships as well.

At the **Island Championships** last Wednesday and Thursday the Junior team recorded its 26th consecutive victory and the Senior team its 25th consecutive victory. An amazing pair of streaks by an amazing team. In total 23 different Oak Bay athletes or teams were Island Champions with 65 total top-three finishes in the meet as well. A special mention to the Junior boys 4x400 relay team who raced to a new island record in their event as well as Nick Mickleberry who captured an exciting new high jump school record of 1.96 meters.

All the athletes now move on to the BC Championships in the first week of June. Congratulations to everyone. See all the Island Results at <http://athletic.islandnet.com/spring/track-and-field/results/>
