

Oak Bay High School announces the fourth call for nominations to the Distinguished Fine Arts Alumni. We continue to honour fine artists who have excelled in the development and advancement of the Fine Arts.

We continue to look to the future and to raise the profile, implementation and recognize past and present achievements of the Oak Bay High School Fine Arts Alumni. Our Distinguished Fine Arts Legacy Wall continues to grow. This permanent installation in the school lets our community and students recognize the accomplishments of our Fine Arts Alumni.

We will have our fourth event on November 20th at 7:00pm in the Dave Dunnet Community Theatre at Oak Bay High School. Please consider nominating someone you know from our community to be part of the Distinguished Fine Arts Legacy Wall.

There are many people who have excelled at Fine Arts at Oak Bay High School. It is time to recognize these leaders in our community. Attached you will find a form requesting nominations for the Distinguished Fine Arts Legacy Wall.

If you would like to have more information about the Fine Arts program or the nomination process, please contact Jeff Weaver by email obfada@gmail.com or by phone (250) 598-3361.

Sincerely,

Jeff Weaver
