

# This Week @ Oak Bay Nation

Week of May 29-June 2, 2017

## School Calendar 2017-2018

The calendar for the 2017-2018 school year is now available. A one-page copy is attached to this newsletter.

## June 2017 Exam Schedule

Regular scheduled classes finish on June 16 with a modified (shortened) schedule. On June 19-22 we have scheduled classes, but each block is lengthened to allow for culminating events, projects or final exams. While each block is 2.5 hours in length, it is the teacher's discretion whether the student may leave after 1.5 hours. We ask that students leaving before the scheduled break times leave the campus to allow for continued "quiet time" during that week. The schedule is also posted on the school website.

## Forum Local de Victoria - Victoria Local Forum 2017

On May 24, French-speaking youth from Greater Victoria spent the day at the University of Victoria for a day of festivities centred on the pride of being Canadian and bilingual, a value being celebrated this year for the 150th anniversary of confederation.

Ninety-nine French Immersion students from Oak Bay High participated, along with about 75 students from Vic High and École Victor-Brodeur. Four of our students co-animated a live radio show broadcasted on CILS FM, the Victoria French radio station. The students who took part in the radio show were: Ben Wong, Matteas Donald-Hamblin, Leah Smith and Leo Jansch.

Students participated in workshops on freedom of speech and the environment. As well, they assisted with a performance from a French theatre improv group, followed by two workshops with these amazing actors. It was a great day to celebrate bilingualism and be proud of speaking French!
