### School Schedule for June 19-22 and Provincial Exams

June 19-22 we have scheduled classes, but each block is lengthened to allow for culminating events, projects or final exams. While each block is 2.5 hours in length, it is the teacher's discretion whether the student may leave after 1.5 hours. We ask that students leaving before the scheduled break times leave the campus to allow for continued "quiet time" during that week.
