Week of June 5-9, 2017

## Congratulations Track Team!

Congratulations to the Oak Bay High School track team for a very successful weekend at the BC championships in Langley. The team of almost 50 athletes in both the Junior and Senior Teams competed well and made a great showing in all the events.

A number of juniors were medal winners with Jade Forrest finishing third in the pole vault, Isaac Clements gold medalist in the pole vault and Joe Robertson capturing a silver medal in the 3000m race and a stunning gold medal in the 1500m. Annika Weir was top 5 in both the racewalk and the pole vault.

The Senior Team had an amazing weekend and captured its 11th provincial title with 25 different athletes contributing to the point total with an outstanding team effort. There were many amazing performances and great efforts, but a few standout.

Alisa Lyesina and her brother Vlad both raced to gold medals in the 800m events. That might be a brother sister first at the championships.

Rachel Grohovac was the silver medalist in the womens pole vault, Jack Stanley was bronze medalist in the Senior 3000m race, and Alex Dillon won a silver medal in the 1500m racewalk.

Tyler Dozzi won 2 silver medals in 2 epic duals over 1500 and 3000m races. In the 3000m race, Tyler narrowly lost an amazing battle in which he and the race winner both shattered a 42 year old BC record.

Please congratulate all the team members on their provincial banner.

## June 2017 Exam Schedule

Regular scheduled classes finish on June 16 with a modified (shortened) schedule. On June 19-22 we have scheduled classes, but each block is lengthened to allow for culminating events, projects or final exams. While each block is 2.5 hours in length, it is the teacher's discretion whether the student may leave after 1.5 hours. We ask that students leaving before the scheduled break times leave the campus to allow for continued "quiet time" during that week. The schedule is also posted on the school website.
