Grade 12 Student Transcript Service

The Ministry of Education has created a new online service for students to view their final marks, scholarships and transcript, and send transcripts electronically. **This new online service replaces the Post-Secondary Institutions Choices form (PSI).**

The new Student Transcript Service allows students to:

- ◆ View final grades for completed courses and assessment results
- ◆ Order and send transcript to post-secondary institutions
- ◆ View transcript order status and history
- ◆ Order and send transcript to employers
- ◆ View BC scholarships awarded, expiry and redemption status

To register for Student Transcript Service, students should go to the Ministry of Education's Transcript and Certificate website at <http://www.StudentTranscripts.gov.bc.ca>

Grade 12 students should see either Mr. Alexander or Mrs. Giesbrecht if they have questions.

Halloween Dance

We have our only full school dance this **Thursday, October 26 from 7-10 pm**. Tickets are \$10.00 and **will not be sold at the door**. Students are asked to bring their student cards as a form of identification. The Halloween theme invites Oak Bay students to come in costume, and we would remind students this is a school event and, as such, our school Code of Conduct applies with regards to appropriate costumes, no use or suspected use of drugs or alcohol and students must understand there will be a bag and coat check. We take pride in offering a safe, fun event for our students and we rely on full cooperation from all those involved in this event.

School Yearbook

Students who wish to order a yearbook can do so until **November 10** at a cost of \$55. After this deadline, the price increases to \$65. Yearbooks can be paid for through the school's online fee payment system. Click the "Online Fee Payment" button on the school website or click [here](#).

Oak Bay High's Rowing Crew at the Annual 2nd Regatta October 14-15!

Please congratulate the 23 members of Oak Bay High's Rowing Crew who performed extremely well at the Annual 2nd regatta on October 14th and 15th. Their hard work paid off on a beautiful sunny weekend, despite an early morning start for some at 6:30 in the morning. Our senior girls' double, our senior boys' double, our junior boys' quad, our senior boys' eight, and our senior boys' novice quad all won **first place** ribbons! Our junior boys' eight worked hard to win third place, our senior girls' single won fourth place, our senior boys' and girls' quads won fifth, and our senior boys' singles won fifth and sixth. Overall, please congratulate our athletes on a fantastic performance at the regatta. What an incredible group of rowers we have!

School Liaison Officer Protects His Turf

Last week, the Oak Bay Police advised of numerous bike thefts from Oak Bay High School. We're pleased to advise that today, we have one 45 yr old male in custody with multiple charges pending.

Oak Bay Police Department's School Liaison Officer, Cst. Lueder used a Police Mountain Bike as bait near Oak Bay High School this morning. He surveilled the bike for several hours until an unknown male approached the bike, opened his backpack, and began cutting the lock.

Cst. Lueder left his observation point and arrested the suspect.

The Oak Bay Police are recommending several charges including:

- Attempted Theft Under \$5000
- Mischief Under \$5000
- Possession of Breaking Tools (photos below)
- Possession Stolen Property (credit cards, etc)

Quotes from Deputy Chief Ray Bernoties:

"Our officers take their responsibility to protect Oak Bay personally and perhaps nobody more so than our School Liaison Officer, Cst. Lueder."

"He quietly rearranged his morning to enable him to spend a few hours on this 'one-man operation'. That's the kind of commitment I see in him on a regular basis and I'm proud to work with him."

Oak Bay Police Create Bike Registry

While Oak Bay continues to be a very safe community, it is not uncommon to have bikes stolen from schools, businesses or residences. In an effort to facilitate the return of recovered bikes, the Oak Bay Police have created its first Bike Registry.

We hope Oak Bay residents will register their bikes with us. In the unlikely event that their bike is stolen, this will help us return it and also assist us in identifying it as stolen property so we can charge the person in possession of it.

Police exhibit lockers end up filled with bikes by year's end. Currently, they go to auction or donation but we would be very pleased to return them to their rightful owner.

Other area Police Departments can also search our Registry.

Oak Bay residents can go to our website to learn how. We have forms at our office and it only takes a minute to complete.
