

Oak Bay High School

This Week @ Oak Bay Nation

Week of December 4-8 2017

Parent Teacher Interviews

Parent Teacher Interviews are on **Thursday, December 7 from 2:00 to 7:00 p.m.**

While we encourage and appreciate families requesting interviews, please keep in mind that some teachers do get fully booked fairly quickly. Please consider making appointments with only those teachers you really need to see (concerns from the Interim Report, work habits, assignment and/or learning concerns, etc.).

On line booking of appointments closes at 11:00 p.m. on Wednesday, December 6. Directions for booking appointments are on the school website under "[Quick Links](#)". Teacher names are required and can be found on Report Cards.

If you require assistance, please contact the school at 250-598-3361 or oakbayinfo@sd61.bc.ca

Senior Girls Volleyball Team at Provincials

The Senior Girls Volleyball team participated in the provincials this past weekend. Competition was tough and the girls were competitive in every game. They finished off the tournament tied for 15th. This was a fabulous season for the team and many thanks to Coach Ron Mutch, assistant coach Rob Mickelberry, and chaperones Sherri Martin and Janice Mickelberry.

Oak Bay Band Concert

Oak Bay Bands present "Flashing Winds" in the Dave Dunnet Community Theatre. The concert will feature grade 9 through 12 bands, string ensemble and the Oak Bay High School Orchestra. The concert is on Tuesday, December 5th at 7:00 p.m. Admission is by donation.

Parenting: The Drugs Question

Parenting is a lot like being on a road trip. It can be fun to experience new places with your growing child, but it can also be challenging. Parents often wonder about the best way to protect their children when it comes to issues like alcohol and other drugs. Read the attached pamphlet, "Parenting: The Drugs Question" for helpful tips and resources.

Golden Gnome Debate Tournament

Congratulations to all the participants at this past weekend's Golden Gnome Debate Tournament held at Oak Bay High. Especial thanks go to the close to 100 volunteers who helped at the event.

Yamate High School Exchange

In 2018, the Greater Victoria School District will be participating in an exchange program with students from Yamate High School which is located in Northern Tokyo. Students from Yamate High School will be arriving in Victoria on April 18th to spend two weeks attending high school classes and participating in activities in the Victoria area. The Greater Victoria School District is currently seeking Victoria families to host the visiting Japanese students during their two-week stay. This represents an excellent opportunity for local students and families to have a genuinely authentic learning experience and form intercultural relationships with someone from a culture different than their own.

Local SD 61 students also have the opportunity to travel to Japan in the summer of 2018. During this time, SD 61 students will live with a Yamate High School family and experience Japanese lifestyle and culture. The cost of this portion of the program is \$2800. This includes airfare, accommodation, meals, activities, and travel insurance.

Please note that going to Japan in the summer of 2018 is NOT a requirement for hosting a Japanese student in April!

If you are interested in more information there will be an information session on December 11th at 7:00 pm at Uplands Campus (3461 Henderson Rd). You may also contact Reid Litster at rlitster@sd61.bc.ca.

This is a great opportunity for local students and I hope to see you at the info session!

Reid Litster, Victoria International School Program

Upcoming Dates

December 5

Band Concert 7 pm Theatre

December 6

Conference Manager on line booking system closes

December 7

Parent Teacher Conferences
Students dismissed at 12:25

December 9

Team Planning (No Block 2)

December 19

Drama Evening 7 pm Theatre

December 22

Polar Bear Swim, Santa's
Breakfast & Winter Assembly

Dec. 25 to Jan. 5

Winter Break. School re-opens
on Monday, January 8

Parenting: The Drugs Question

it's all about relationships
not facts, stats and scare tactics

Parenting is a lot like being on a road trip. It can be fun to experience new places with your growing child, but it can also be challenging. Parents often wonder about the best way to protect their children when it comes to issues like alcohol and other drugs. Here are ten important tips parents can use to help their children (and others) navigate life successfully, including avoiding harm from alcohol and other drugs.

- ✓ **Stay connected** – more than anything, your child needs you! Young people who know they're loved have a stronger sense of self-worth.
- ✓ **Have fun**, and focus on building a positive relationship.
- ✓ **Show your child you believe in them** by supporting their interests and encouraging them to pursue their passions.
- ✓ **Help your child solve their own issues** – it helps build their resilience.
- ✓ **Resist the urge to know everything** – they're growing up and need some 'space' to find their own meaning of things.
- ✓ **Share clear, consistent expectations** – the more you discuss these openly with your child, the more likely they will understand your intentions, and the more likely they will adopt them.
- ✓ **Recognize that we all make mistakes**, and use them as opportunities to learn together.
- ✓ **Expect to be challenged** – be respectful and prepared to negotiate but clearly communicate your position and your own values.
- ✓ **Be available** – by encouraging open and regular communication, you're showing your child their thoughts and concerns matter.
- ✓ **Be a positive role model** – part of being a parent is modelling healthy behaviours and attitudes.

Helpful Resources

ALCOHOL SENSE

www.healthyfamiliesbc.ca/home/articles/topic/alcohol-sense

This resource, part of Healthy Families BC, provides parents and adult influencers with tips, tools and videos for starting conversations that will help guide kids towards healthy decisions when it comes to alcohol.

LET'S TALK Speaking with our kids about substance use – a resource for parents from Island Health
