T3!! Track Trip Toronto

Any interested grade 9's and new students who want to do anything around Track and Field.

You might be interested in the Track Trip in the Spring of 2019 to Toronto.

There will be a meeting Tuesday at lunch in room 212 if you are interested. Any students who have already committed to the trip should also be there. Important info around fundraising and costs will be discussed. See Mr. Sheffer with any questions.

STEM Fellowship UVic . . .

will be in the **Career Centre at lunch on Wednesday, January 24th**. *STEM Fellowship UVic* is a club focused on inspiring young students to pursue post-secondary studies in sciences and engineering and showing them the gratification and benefit to society that can come from studying sciences. They will present a brief, approximately 30 minute presentation for any students interested in what the sciences at post-secondary (and specifically UVic) are like, what they can benefit from studying them, and how to succeed in post-secondary in general. As *STEM Fellowship* has branches at several other universities across Canada, including the *University of British Columbia* and the *University of Toronto*, we have an established network that could help many students find out about schools of their interest.

On February 28, 2018, schools across Canada will be recognizing **PINK SHIRT DAY**, which symbolizes a stand against bullying. Please see the link for more information <https://www.pinkshirtday.ca>

In support of this, students, parents, teachers and staff have the opportunity to purchase a PINK SHIRT for just \$6 and/or a BANDANA for \$4. You can place your order online [here](#) or see Ms. Adams in the Accounts office. Orders must be placed by JANUARY 31, 2018.

T-shirts and Bandanas will be delivered to our school on or by February 27th and can be collected from the school office.
