## June 2018 Exam Schedule

Regular scheduled classes finish on June 15 with a modified (shortened) schedule. On June 18-21 we have scheduled classes, but each block is lengthened to allow for culminating events, projects or final exams. While each block is 2.5 hours in length, it is the teacher's discretion whether the student may leave after 1.5 hours. We ask that students leaving before the scheduled break times leave the campus to allow for continued "quiet time" during that week. The schedule is also posted on the school website under "Quick Links" -
