Catchment Boundary Review Update

The District will be sharing their latest boundary review recommendations to the Board of Education this month after receiving community input on the phase three proposal.

The District hosted eight school-targeted consultation meetings in the month of May to discuss the proposed changes with the schools directly impacted while continuing to gather input online. The phase three proposal involved some new considerations for specific schools. As a result, the District felt it was important to directly connect with the school communities that could potentially be affected.

For timelines, background information and the phase three proposal, please visit the [boundary review webpage](#).

New recommendations are now planned to be presented to Trustees at a Special Board meeting on June 19th, 2019, where there will be an opportunity for attendees to submit input. The following week, the Board will meet again on June 25th, 2019 for final deliberations.

Oak Bay Junior Musical Theatre presents *Seussical Junior!*

"Oh, the things you can think" when Dr. Seuss' best-loved characters collide and cavort in an unforgettable musical caper!

Horton the Elephant, the Cat in the Hat and all of your favorite Dr. Seuss characters (plus some you may not have met before!) spring to life onstage in *Seussical JR.*, a fantastical musical extravaganza from Tony-winners, Lynn Ahrens and Stephen Flaherty.

Transporting audiences from the Jungle of Nool to the Circus McGurkus, the Cat in the Hat narrates the story of Horton the Elephant, who discovers a speck of dust containing tiny people called the Whos. Horton must protect the Whos from a world of naysayers and dangers, and he must also guard an abandoned egg that's been left in his care by the irresponsible Mayzie La Bird. Although Horton faces ridicule, danger and a trial, the intrepid Gertrude McFuzz never loses faith in him. Ultimately, the powers of friendship, loyalty, family and community are challenged and emerge triumphant!

Congratulations to all our sailors, on winning Island High School Championships this past weekend. We wish all our graduates the best, and are excited for our future with a strong group of young sailors here at Oak Bay and in our pipeline as our family school Monterey won the Middle School Championships. Bravo Zulu Oak Bay.

Lost and Found Items

The school has accumulated many articles of clothing, lunch kits, shoes, boots, etc. in the Lost and Found. These items will be on display in the main hall for the week of June 10-14.

Please encourage your student to check for things they have lost. Unclaimed items left at the end of June will be donated to charity.

June 2019 Exam Schedule

Regular scheduled classes finish on June 14 with a modified (shortened) schedule. On June 17-21 we have scheduled classes, but each block is lengthened to allow for culminating events, projects or final exams. While each block is 2.5 hours in length, it is the teacher's discretion whether the student may leave after 1.5 hours. We ask that students leaving before the scheduled break times leave the campus to allow for continued "quiet time" during that week.

Graduation Numeracy Assessment

THIS EXAM IS REQUIRED FOR GRADUATION

All grade 10 AND 11 students are expected to write the Ministry of Education's Graduation Numeracy Assessment (GNA) this school year. This assessment will take place **on June 21st** with two sittings (8:30 AM or 12:30 PM). Students will be scheduled to one of those two sittings (schedule to be posted shortly).

Assessment Info:

- The GNA typically takes two hours to complete; however, students may use additional time if needed.
 - Assessment questions are delivered online but require both computer-based and hand-written responses.
 - The GNA is NOT tied to a specific math course. Rather, it evaluates a student's numeracy skills developed over the course of their education.
 - Results will be reported using a proficiency scale out of 4 which means that students will not receive a percentage nor a letter grade, but instead will receive a 1, 2, 3 or 4. There are no credits associated with this REQUIRED assessment - transcripts will show RM (Requirements Met) and a score out of 4.
