Grade 9 Immunization Consent Forms

Recently, immunization consent packages for grade 9 students were sent home from the school. If you have not already done so, please review the information with your child as an opportunity for them to start making decisions about their own health. Please complete the consent form and return it to the school office in a sealed envelope as soon as possible.

Although a child may be immunized with the consent of a parent/guardian or representative, a grade 9 student can make an informed decision regarding immunization regardless of parental consent or refusal. This is referred to as “mature minor consent.”

For more information:

- Refer to HealthLinkBC file # 119 “The Infants Act, Mature Minor Consent and Immunization” available at: [Health-linkBC File #119 The Infants Act, Mature Minor Consent and Immunization](#).
- A short video presentation on mature minor has been created for grade 9 students. It is available at: <https://vimeo.com/231149258> or by going to → www.islandhealth.ca/immunization-info Immunizations → Additional resources → *View our video on grade nine immunization and mature minor consent*.
- Contact the local Health Unit at 250 388 2200 to discuss further.

Immunizations will be provided at the school in December.

PAC Meeting

The next PAC meeting is on October 30th at 7 pm, in the school cafeteria.

At this meeting the PAC will be making decisions on applications that have been submitted by teachers and coaches for PAC funding.
