Pro-D

Oak Bay's Cops for Cancer campaign came to an end today, with the riders arriving and being greeted by many of our student volunteers who helped along the way. With a late start to the campaign due to COVID, the students, teachers and greater community all rallied behind the campaign and we managed to raise a final tally of \$51,700! We would like to thank all those who were involved in supporting this wonderful endeavor. A special thank you to the campaign leaders, Celeste Vickery, Chris and John Horwood, and Chase Ward, who all put in a tremendous effort along the way and managed to bring the whole school community together.

We had many local businesses support the campaign via the online auction that was a huge success. For the head-shave, we had quite a few students sacrifice their long locks for the cause and we are grateful to Nick and Bryan from Nick's Hair Salon, Nicole from Sirens Hair Salon and Danielle from Cook Street Barbershop for donating their time and expertise. Along the way, whether it was with the car wash, bottle drive or canvassing all over Oak Bay, we had over 120 students and staff members who stepped up to contribute their time and efforts to make the campaign a success. Lastly, thank you to the parents for supporting our students along the way. Congratulations to all of OB Nation.
