#### **Important COVID-19 Update: Daily Health Check**

Island Health continues to remind people across Vancouver Island to double down on their efforts to help stop the spread of the virus. COVID-19 is in all of our communities and everyone must continue to follow the steps we know are effective in reducing the risk of transmission.

Washing our hands regularly, keeping at least two metres apart, wearing a mask in public spaces, and getting tested if you feel unwell are fundamentals of defeating this virus. It is also so important that everyone limit their travel between communities and outside of the province, unless it is absolutely essential for work or medical care.

Testing is fast and easy – people aged 4 and older with symptoms of COVID-19 can be tested with a gargle test or nasopharyngeal swab and results are usually available within 24 hours.

For more information on COVID-19 case numbers, visit Island Health's COVID-19 [dashboard](#) or the BCCDC COVID-19 [data hub](#). You can find more information on COVID-19 at [www.islandhealth.ca/covid19](http://www.islandhealth.ca/covid19).

The Daily Health Check for Parents and Caregivers has been updated on the District website:

#### **Hello Parents and Guardians of Oak Bay High 2021 Grads!**

##### **Baby Grad Photos**

Each year the Yearbook course dedicates a portion of its grad section to spotlight grads as babies. Along with each photo is a personal message written by their parent or guardian. We try to keep this section hush hush until the final day of school when grads get to see the picture you chose and the message you wrote.

You may choose to enter one or two if you would like to, they may come from parents, siblings, grandparents, etc. The cost is \$10 per submission, to a maximum of 2 per student. Your write-up may include anything you would like, a quote, well-wishes, memories, etc.

### **From the Career Centre**

The Career Centre staff coordinate opportunities for students to investigate possible pathways after high school. This includes supporting students with post-secondary & scholarship applications, work experience, volunteering, employment search skills, and connecting students to career exploration opportunities in our community. Please take the time to complete the quick survey on the Career Centre website to allow us to keep you connected to opportunities and information that is relevant to your chosen path after high school.
