Daily Health Assessment App:

The Daily Health Assessment remains a critically important tool in our efforts to keep our school community safe. As has been the case since September, students/families are asked to perform a health assessment each day before arriving at school. Our District has developed a recourse to help with the assessment. The updated resource is linked on our website homepage and can also be found on the District site. [Daily Health Check for Parents](#)

The Ministries of Health and Education recently developed a new app which can be useful when performing the Daily Health Assessment. While not required, students/families may wish to use the app to assist in the completion of their daily assessment. The app contains the most up-to-date BC health guidelines and is user-friendly for children to complete daily. This resource can assist in preventative measures for families and help with the decision of whether a student should attend school on a given day.

Q3 Term Change

Friday March 5th is the end of the term 1 in Q3. Starting on Monday, March 8th, block E will be the “non-learning group” and therefore, will be attending 2 mornings per week with Wednesdays being student support. Block G will now be full time attendance for all. Block E teachers will be reaching out by Wednesday to let you know what mornings your child will be attending.

Interim Reports

Between March 3rd and March 10th, you will be receiving interim report cards from your child’s block E and block G teachers. An interim report may include an email stating the student grade and progress, an emailing directing you how to login to an online gradebook, a phone call directly to the parent(s)/guardian(s), or an itemized progress report. If you did not receive an interim report by March 10th, please contact your child’s teacher. A teacher directory can be found on the app with a direct link to email them (<https://oakbayhigh.appazur.com/app/>) or on our [school website](#).
