

# Oak Bay High School

## Next Week @ Oak Bay High

### Apr. 26 – 30, 2021

April 23, 2021

**Message from the Office:**

This is a very busy time around our school office. As is usual at this time of year, we are doing a lot of work around next school year. We are working on the transition of our incoming students, processing course selections/student schedules and working through our staffing process. We have also begun to look at our systems for September, including next year’s Quarterly timetable and bell schedule. This will of course remain fluid and responsive to direction from the ministries of Education and Health.

Quarter 3 (E and G blocks) concluded last Friday, April 16<sup>th</sup>. Q3 report cards will be emailed to student’s SD61learn accounts on Thursday, April 29<sup>th</sup>. Quarter 4 classes (F & H blocks) began this past Monday (April 19<sup>th</sup>). Morning classes are back to fulltime (every day) and afternoon classes are part-time (2 days a week) throughout Term 1 (April 19-May 20).

At this time our school and district are actively seeking your feedback. Your feedback is extremely important to us. Please consider completing the Learning Survey described below. Additionally, the district will be making available a survey next week to collect feedback on the proposed 21/22 District Budget.

## Learning Survey 2020/2021

The provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, educators and students on topics related to school environment, safety, and achievement.

The information is used for planning in individual schools and provides a district and provincial perspective. Student Learning Surveys were administered to our grade 10 /12 students and our staff earlier this month.

We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement.

**SURVEY:** <https://www.awinfosys.com/SurveyFull1/central/main/access.asp>

The screenshot shows a web form titled "Parents" with the following content:

- Please complete one survey for each child.
- Parents have two options for accessing the survey: either by using a logon provided to you by your school, or by using the Direct (logon-free) Access (please select one of the options below).

There are two main sections for login:

- With a logon number from your school:** Includes a text input for "Logon #", a dropdown for "Language" (set to "English"), and a "Log On" button.
- Direct Access — no logon number required:** Includes a dropdown for "District" (set to "[Blank]"), a text input for "School:" with the instruction "Please Select District First", a dropdown for "Language" (set to "English"), and a "Log On" button.

Please use the Direct Access portal and select "61 Greater Victoria" and "Oak Bay High" when directed. The e-survey site will be open until April 30th. If you have any questions, please contact the school at [oakbayinfo@sd61.bc.ca](mailto:oakbayinfo@sd61.bc.ca)

**The NEW scoreboard is complete!**

Our school's refurbished grass field now features an amazing 16'x6' scoreboard. This project has been two years in the making and has been made possible by the financial support of the Barbs Rugby Alumni, PAC and the Oak Bay Firefighters Association. We can't wait to host our first game on the field, whenever that might be!
