

# Oak Bay High School

## Next Week @ Oak Bay High

### Sept. 13-17

Sept. 10, 2021

OBH Learning Community,

It has been a busy and exciting first week here at the school. We are thrilled to see all the students back in full time classes. Our Counsellors and Learning Services team have been processing student course request change forms all week, and we are happy to report that the vast majority of students now have finalized timetables. Our goal is to have all students settled into classes as quickly as possible and we thank everyone for your patience during this process.

Many of our extra-curricular teams and clubs are already underway. Interested students are encouraged to read over the daily announcements and watch for startup information. Please consider signing up for the MyOakBay app to receive the announcements.

Next week, students will attend virtual grade level assemblies and we will hold our first fire drill of the year next Friday.

Tuesday, Sept. 14th is Photo Day. Edge Imaging will be onsite throughout the day. Students will be called down from their classes. We hope all students will have their photo taken, and those families who wish to order a photo package will have the opportunity to do so. More information on the ordering process will be communicated in the coming days.

Our annual Cops for Cancer (C4C) fundraising campaign is underway. Staff and student volunteers will be involved in a number of initiatives over the coming weeks, culminating with the riders school visit on Oct. 1st

- Carwash - September 11th (9am-3pm at the school)
- Bottle Drive - Sept. 18th
- Silent Auction - Sept. 21st (@ Meet the Staff Evening)
- Online Auction - (<http://www.32auctions.com/OBC4C2021>)
- Garage Sale - Sept. 25th
- Headshave - Sept. 29th

Our school community is doing an excellent job of following the revisited Health and Safety protocols. Please continue to conduct daily health checks before arriving at school, and stay home when you are sick. Additionally, we would like to highlight the importance of being vaccinated, as it will help ensure a safe school year.

Please reach out to us anytime at [oakbayinfo@sd61.bc.ca](mailto:oakbayinfo@sd61.bc.ca)

Sincerely, OBH Admin Team
