OB FOOD DRIVE BIG NEWS OAK BAY HIGH COMMUNITY

Nutty says, we are getting this bus close to halfway full, but we have a lot more to go.

Please bring in your nonperishable food donations all next week.

Also remember that <u>cashonline</u> donations go so much farther, 3 to 1 in fact. Mustard Seed's buying power is amazing and fresh produce and protein is an important part of health living. Jason Newton from Mustard Seed will be joining us next Friday to see our efforts and I'm sure we will WoW him big time! During Advisory, we will fill the bus on Dec.10th, take the bus down to the donation warehouse for Mustard Seed where they will be waiting to unload to support local Families SO, THANK YOU! and stay tuned...
