Most of the COVID protocols remain the same: reduce crowding/gathering, proper masks must be worn inside, designated entrances & exits still apply, students can eat in classrooms & teachers will encourage them to head out on sunny/warm days. Students are encouraged to arrive shortly before the 9am start time, lunch hour will return to 50 minutes long and as such the school day will end at 3pm, students will be encouraged to leave shortly thereafter.

**Fundraiser** -Our Alumni Association in partnership with the OB Rotary Foundation is actively fundraising to resurface our school running track. This is a HUGE endeavor and the committee is looking to raise roughly \$200,000 to accomplish this. We will be holding the second of four no-sort bottle drives, as one of our many fundraisers. The bottle drive next Saturday Feb 5<sup>th</sup> will be from 10am to 1pm in the back parking lot off Cranmore Road. Please come by and support this great cause if you are able.
