From the Career Center:

Oak Bay is excited to once again host the Canadian Universities Event (CUE) in-person on October 4th from 8:30am – 11:30am in the large gym. There will be 52 universities from across Canada for students to connect with and learn more about post-secondary options. The event is not as busy from 8:30 to 9:00 so I would recommend if possible that Oak Bay students attend at 8:30am.

From the Office:

For those parents who anticipate volunteering to drive students, please get started in filling out the necessary forms. These include a valid BC Driver's License and copy of insurance. Further, if you have not already done so, also required is a Driver's Abstract and Criminal Record Search. Here is the link to help you navigate this process:
