From the Office...

For those families who have a child driving to school, please reinforce with your young driver that the parking lots in the front and rear of the school are for staff parking only. Student parking is at the end of Goldsmith Ave. Too often staff parking lots are full of student's vehicles with the staff not having a space to park. Thank-you for your helping reinforce this expectation.

Staff Appreciation - Please see the following [link](#) from our PAC who along with many of you, supported our 'Staff Appreciation' in providing treats and beverages for our staff. Your recognition is greatly appreciated!! Thank you !

From the Courts...

With February upon us so is the time for play-off basketball. Please come out and support both our Junior Girls and Junior Boys programs who are hosting city play-offs this upcoming week. The boy's tournament will kick-off beginning Thursday, Feb. 9th and the girl's tournament begins Friday, Feb. 10th. The tradition of excellence in basketball is well represented in both these teams this year.
