From the Office...

Graduation Assessments - June 19th - 21st:

Reminder that grade 11s and 12s who have not written their Graduation Assessments will be pulled from morning classes between June 19th and 21st to write in the cafeteria.

For our Grads.....

Grad Update: We will be hosting our Grad Recognition Ceremony this coming Thursday, June 22nd at UVic (6:00-8:30pm).

Families of 2023 Grads, please find [LINKED](#) the Grad update which was sent home last week.

e-Tickets: UVic has recently sent guest tickets for the event to grads "Learn Accounts". Grads will need to locate the email and share the e-tickets with any family/friends who will be attending the event. Should they not be able to locate the email, UVic suggests checking their junk mail folder. Failing that, please contact the UVic box office, as the school is unable to assist with issues related to tickets.

Livestream: A Livestream link has been placed onto our [Oak Bay High webpage](#). Family and friends unable to attend the ceremony in-person can watch the event over the Livestream. The link to the Livestream can be easily found in the "quick links" on the left side of the page.
