From School Leadership...

Students from our leadership program have teamed up with Mayor Kevin Murdoch in a fundraising campaign aimed at raising \$20,000 to purchase two generators to heat and provide light for two schools in a small town in war torn Ukraine. Please see the [media release](#) for more information about this initiative and how you can support.

From PAC...

Naloxone training for parents

- Monday, November 27th, 7:00 pm Cafeteria

Please join us on Monday, November 27th for a hands-on Naloxone training session provided by Victoria's Youth Clinic, The Foundry. Nursing staff and a peer support worker will be presenting.

Naloxone is a medication which reverses the effects of opioids, including Fentanyl. It is given in instances of opioid overdose to reverse the negative effects, including the decreased drive to breathe.

The opioid crisis affects many in our school community and this is an opportunity to learn how to administer this life saving medication.
