SENIOR BOYS BASKETBALL ISLAND CHAMPIONSHIPS

For the first time ever (or at least that I can remember...) the number 1 & 2 provincially ranked senior boys basketball teams will be battling for supremacy at the Island Championships. Although too early to tell, and without jinxing it, our Oak Bay boys are destined to meet Spectrum at 7:00 pm in the CARSA building at UVIC. Come out and cheer on our boys, be loud & proud (and positive...) and wear your green and white to what will be an amazing game between two outstanding teams.

Anaphylaxis Information...

We have several students in our school who have been identified as having life-threatening allergies. Please read the [letter](#) to best support the safety and well-being of our students.

Looking for parent support/help...

... a call out for both Grades 12 and 11 parents to help organise the Oak Bay High Block Party. This fine tradition is a great way for families to celebrate their grads in all of their fineries before they head off to their Dinner / Dance at the Delta Hotel. Last year's lead has passed on her file from last year AND has offered herself as a resource to whoever takes this position. Meet @OBHS March 4th 7pm in the cafeteria.

A few Grade 11 parents in the group would be invaluable to learn the ropes and carry forward the knowledge for next year's graduation.

All OBHS parents are members of the PAC. Next PAC meet @OBHS is 26th Feb at 7pm. We encourage all parents to participate.

Also the Victoria Confederation of PACs has vacancies. Parents are invited and encouraged to get involved for a year in these vacant roles like Member At Large, President, Vice President, Secretary. For more info contact info@vcpac.ca.
