| Feb 18 | Course selection forms for the 2025/26 school year are due | |
| Feb 19 | Team Planning - First period classes begin at 9:55 am. | |

Dual Credit Programs

For Students entering Grade 12 next year, please consider selecting a Dual Credit class on your Course Form!

Why take a dual credit course?

- Your tuition is covered by your school district
- Credits earned go directly toward your High School and Post Secondary transcripts
- Most courses are transferable to other colleges and universities
- Avoids the five-course crunch in your first year. Five can be a lot!
- Build your confidence going into future options
- Understand post-secondary culture and terminology

Grade 11 Oak Bay Student can apply to take one of the courses here at Oak Bay taught cooperatively by the Oak Bay teacher and the Camosun Instructor. Students applying for the Dual Credit program will need to ensure their career choice aligns with the dual credit course transition pathway.

Oak Bay is offering the following dual credit courses in the 2025-2026 school year.

- Anatomy and Physiology 12 / Biology 103
- Chemistry 12 - Chemistry 121
- Physics 12 / Physics 104
- Entrepreneurship 12 / Business 280
- Psychology 12 / Psychology 130
- English 12 - English 151
- Active Living 12 - Kinesiology 120

Some courses will have *co-requisites* (Courses before or at the same time as the Dual Credit course) or

pre-requisites (courses taken before the Dual Credit course or an assessment). Students will be responsible for purchasing the textbook if required. There will be a small Camosun College entry/application fee as well as paperwork required to take this course.

Please see Ms. Giesbrecht or Mr. Alexander in the Career Centre if you have any questions.

Hot Lunch Program

Lunch cards are available through <https://sd61.schoolcashonline.com/Fee/Details/57798/140/False/True>
