

May 9, 2025

Dear Parents, Guardians & Students,

Just some reminders for this month:

<b>May 12, 2025</b>	ICBC presentation for Gr 12 students (Block H)
<b>May 14, 2025</b>	Trades Expo (all day, front of school)
<b>May 15, 2025</b>	Grade 8 transition day (Oak Bay students dismissed at 12:20 pm)
<b>May 16, 2025</b>	Pro D Day (Schools not in Session)

### **TRADES EXPO AT OAK BAY HIGH - WEDNESDAY, MAY 14, 2025**

On Wednesday, **May 14th**, Oak Bay High will be hosting our 2nd Trades Expo. This exciting event is designed to give our students valuable exposure to the diverse and dynamic world of skilled trades. By welcoming representatives from a wide range of trade areas, we aim to provide students with the chance to connect with professionals, learn about different career paths, and explore hands-on opportunities.

Students can look forward to an engaging showcase featuring equipment displays, trailers, and informative booths.

Please Note:

**There will be NO ACCESS TO THE FRONT PARKING LOT OFF CADBORO BAY ROAD** on the day of the event. Please plan to use an alternative drop-off and pick-up location.

Thank you for your continued support as we help students discover pathways in the trades industry!

***Roxanne Taggart***

### **From PAC**

The Greater Victoria School District is updating its Secondary [School Code of Conduct](#) to be consistent across all high schools in the district. Since this is something that directly affects our students, we are asking you to please take a look at the attached draft document and send any comments you may have to [obhpacinfo@yahoo.com](mailto:obhpacinfo@yahoo.com) so the Oak Bay High PAC can compile the feedback and pass along any comments and concerns you may have to the district.

## **Paramedic Camp opportunity**

I'm reaching out to share a unique opportunity for your students this summer – our [Paramedic Camp](#) hosted by Alert First Aid in Victoria.

This 10-day, hands-on training experience is designed for youth aged 13–17 who are curious about a career in paramedicine, emergency response, or healthcare. The camp allows students to immerse themselves in realistic scenarios, practice first aid skills, and connect with professionals in the field. It's a great way for participants to explore whether this career path is right for them.

Thank you,

Dirk
