Screenagers: Growing Up in the Digital Age

You are invited to a movie event at the Oak Bay High School - a showing of the latest remake of Screenagers. This award-winning film probes into the vulnerable corners of family life and depicts messy struggles over social media, video games and academics. Plus the film offers solutions on how we can help our kids navigate the digital world.

The film is meant to stimulate conversation and would be a great movie to watch with your teens. Come join us in October at the Oak Bay theatre. No tickets are required. Screening time is 1 hour, and after the show we will host a discussion exploring some of

the themes presented in the movie. Your reactions and input plus those of your teens will be valuable to us all.

Tour de Rock – One Week Away!

In just one week, the Tour de Rock riders will roll into Oak Bay High! Our students are excited to present them with a cheque representing a month of amazing fundraising efforts — including the car wash, bake sale, balloon pop, canvassing, and garage sale.

And there's still time to help! **Tomorrow is our Bottle Drive** in the back parking lot (off Cranmore), and our **Silent Auction closes this Sunday, September 28** — so be sure to check it out before it's gone. <https://www.32auctions.com/OBC4C2025>

Every donation brings us closer to our goal of sending kids with cancer to **Camp Goodtimes**. Thank you for your continued support and for helping us make a difference! Consider donating at: <https://bit.ly/OBHC4C2025>
