

Oct 31, 2025

For next week:

Nov 5 Career Expo -Grade 9 Take Your Kid to Work Day
 -Grades 10-12 opportunity to explore over 50 different career presentations

**** PLEASE NOTE... MINISTRY ASSESSMENTS HAVE BEEN CANCELLED FOR THIS SESSION**

Due to the labour dispute, November assessments have been postponed until the January session

For your information:

Career Connections Expo – November 5!

Oak Bay High is excited to host its 5th Career Connections Expo on Wednesday, November 5 during Focus and Block B.

We're thrilled to welcome 50+ guest speakers who will share their experiences, insights, and career journeys with our students. It's an incredible chance for students in Grades 10–12 to explore different career paths, make connections, and get inspired about their futures.

More information about this amazing opportunity, including a list of presenters, is posted on the school website under "Quick Links".

Take Our Kids to Work Day – Wednesday, November 5

Grade 9 students are invited to participate in Take Our Kids to Work Day, a national event that gives students the chance to connect classroom learning with real-world work experiences. This day supports the goals of the Career Education curriculum by helping students explore possible career interests and pathways.

Consent forms were sent home two weeks ago and should be returned to students' Advisory teachers by Monday, November 3.

Students who are not participating are expected to attend school; however, regular instruction will not take place that day, as we hope all Grade 9s will take advantage of this valuable career exploration opportunity.

Jack Wallace Memorial Track Project

For the past couple of years a group of ambitious volunteers has been fundraising to both resurface and revitalize the Jack Wallace track, located at Oak Bay High School. This project will benefit not only our school community but will provide space for our entire Oak Bay community, and beyond, as a place to work out with several plans around facility upgrades. Please see the following link as we look forward to putting our plans into action...
