Information from PAC

Meet Your OBH PAC

The Parent Advisory Committee is a volunteer-run group. We meet about 7 times a year for about an hour to review & approve funding requests. The principal reports out to the PAC on school needs & events. Parents can ask questions and suggest events. **We need 5-10 at-large members to reliably attend meetings.** **If we don't have enough members, we can't vote to spend the money!**
To join, please email obhpacinfo@yahoo.com
