For your information...

Curriculum Completion Day

This is the last chance for students to complete any outstanding assignments. Teachers will inform students of expected attendance. If a student wishes to attend, based upon their own decision, the teacher(s) should be informed in advance.

Water is Life

Please join us in congratulating our Water is Life teams on their outstanding performance at the 2026 Water is Life Conference and Competition in the Netherlands this past week.

Representing both Canada and Oak Bay High School on the international stage, our students demonstrated incredible knowledge, teamwork, innovation, and leadership. Competing against schools from around the world, they earned an impressive Runner-Up finish in their category and were also awarded the prestigious Public Choice Award, recognizing the team that most inspired and impressed their fellow student participants.

Congratulations to our Water is Life teams for being exceptional ambassadors for Oak Bay High School and Canada. We are incredibly proud of all that you have accomplished!

Roxanne Taggart & Derek Shrubsole

Oak Bay Rugby Fundraiser

Please see the [add](#) for the Car Wash and Bottle Drive that the rugby team is holding on **Saturday, June 20th.**
