November 12, 2026

For next week:

For your information:

November 18	Team Planning	First classes begin at 9:55 am
November 20	Learning Updates available	

PAC meeting, Monday, Nov 19, at 7pm in the cafeteria and online

Google Meet link. https://meet.google.com/pdb-wcsu-szd

Why your vote matters tonight:
We will be reviewing and making final decisions on several important funding requests for school programs and student activities. Every parent/guardian is automatically a member of the PAC, and your voice directly impacts how these funds are allocated to benefit our students.

Tonight's agenda highlights include Principal's report, financial update, presentation and voting on funding requests, and the VCPAC update.

Whether you can stay for the whole meeting or just want to listen in, we would love to see you there.

For all Student /Athletes…

Oak Bay High School has been asked to participate in a research project , "*Developing and Validating a Measure of Coaching Practices that Foster School Belonging Among Secondary School Student Athletes."* To support this research, we are asking any/all of our students who participate in school athletics to provide feedback. This information will be shared with BC School Sports to help enhance the student/athlete experience. Students can participate in one or two ways, see below. Please see the link for more information.

- Student-athletes (Grades 8–12) for a 60-minute focus group, held via Zoom or in person during non-instructional time where possible: https://ubc.ca1.qualtrics.com/jfe/form/SV_cIlcpfpLme3HDsG

- Coaches for a 45–60-minute interview, via Zoom or in person, at a time of their choosing: https://ubc.ca1.qualtrics.com/jfe/form/SV_6f13ln0b5pXJNZQ

- Student-athletes to join our provincial youth advisory council, a paid group of 12 students from across BC who meet monthly to help shape the research: https://ubc.ca1.qualtrics.com/jfe/form/SV_a9mHSPSAWAb7hsy

Student Leadership

The Community Leadership class and the RISE Club have organized a few fundraising campaigns for November. We are looking for book donations that will go to our local hospitals and long-term care facilities. Grade 9 students can bring them into their advisories for the advisory challenge, or you can drop them off in front of the office. We will also be conducting a food drive in conjunction with the Mustard Seed and are looking for non-perishable food items. They can be dropped off outside the office or in their A block and advisory classes. Lastly, we are looking for lightly used clothing, jackets, footwear, and warm items for the Salvation Army. There are boxes outside the office as well.
